**Camtasia Studio 7.1**

Let viewers navigate through videos and find the content they need.

Top new features:

- **Speech-to-Text Transcription**: Automatically turn what you say during a recording into captions for your video.
- **Enhanced Captioning Support**: Easily create 508 compliant closed and open captions you can edit as needed.
- **Create Searchable Video**: Produce videos in Flash or send to Screencast.com and let your viewers jump directly to the content they need.

Since you purchased Camtasia Studio 7, your upgrade to 7.1 is **FREE!**

[Download version 7.1 »](#)

Install it on the same computer that has version 7 installed.

The software will recognize your existing key and unlock the new version.
