

Organization of Fish and Wildlife Information Managers

Innovation Award 2019 Application Form

The Organization of Fish and Wildlife Information Managers (OFWIM) invites individuals and conservation agencies/organizations to apply for the OFWIM Innovation Award. The purpose of this award is to recognize excellence in the advancement of fish and wildlife information management technology or processes.

Nominated projects/applications will be evaluated for their technical accomplishment, innovation, success in meeting their stated goals, and/or success in developing and sustaining a partnership.

Eligibility for this award is open. Nominees may be individuals or agencies/organizations, but the nominee must have retained creative control over any website or technical application. This form may be used to nominate the submitter's work or that of others.

The winning individual or organization will receive a 1-year free membership to OFWIM, as well as recognition at the 2019 Conference at the National Conservation Training Center in Shepherdstown, West Virginia, and on the OFWIM website.

Send the completed nomination form (electronic submission preferred) to:
